

ATTENTION IOWA EMPLOYERS

Our goal as your **RELIABLE** labor law poster company is to ensure that you are always in compliance! We would like to make you aware that there may be **other requirements** that your company is subject to in addition to posting your labor law posters in a conspicuous location.

- Under the **Iowa Smokefree Air Act**, businesses must post **“No Smoking” signs** at every entrance. For more information about the Act and sign requirements, go to the Iowa Department of Public Health’s Smokefree Air Act website at <https://smokefreeair.iowa.gov> or call **(888) 944-2247**.
- If **applicants for employment** are normally seen in an area **other than where you post your federal labor law poster**, you need to post four federal notices in this area where applicants can easily see them. Poster Compliance Center publishes a Federal Applicant Edition poster that includes all four of these notices. Call Customer Service at (800) 322-3636 if you would like to order this poster.
- If your state has an **E-Verify law** (used to determine if workers are eligible for employment), covered employers must register for E-Verify through the U.S. Department of Homeland Security (DHS) and must post required participation posters.
 - Only employers **who have registered** should post the required posters which can be downloaded free during registration.
 - DHS prohibits commercial sale of these posters by third parties.

For these reasons E-Verify posters are not included on our state posters. For further information or to register for E-Verify, go to the DHS E-Verify home page at <https://www.e-verify.gov/> or call 888-464-4218.

Poster Compliance Center publishes labor law posters that include all general required notices for employers. Depending on a company’s industry, type of commerce, sector, location, or workforce, **additional specialized notices may be required** by federal, state, or local governments or agencies. Examples could include notices for a municipality, notices for federal contractors, notices that must be posted for the public or job applicants (in addition to those posted for employees), a labor law notice required in another language for employees who do not speak English, public sector notices, signage that must be posted at a specific location in your business such as the entrance, or a notice that can only be obtained through an insurance company.
