

# ATTENTION HAWAII EMPLOYERS

Our goal as your **RELIABLE** labor law poster company is to ensure that you are always in compliance! We would like to make you aware that there may be **other requirements** that your company is subject to in addition to posting your labor law posters in a conspicuous location.

- If **applicants for employment** are normally seen in an area **other than where you post your federal labor law poster**, you need to post four federal notices in this area where applicants can easily see them. Poster Compliance Center publishes a Federal Applicant Edition poster that includes all four of these notices. Call Customer Service at (800) 322-3636 if you would like to order this poster.
  
- The following employers are required to post **Human Trafficking notices**: Employers with a class 5 or class 11 liquor license pursuant to section 281-31, employers that operate a massage therapy establishment that employs five or more people, and employers with one or more erotic or nude massagers or erotic or nude dancers as defined in section 712-1210. Go to our Free Specialty Posters page at the following address to download the Hawaii Human Trafficking notice: <https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/>
  
- If your state has an **E-Verify law** (used to determine if workers are eligible for employment), covered employers must register for E-Verify through the U.S. Department of Homeland Security (DHS) and must post required participation posters.
  - Only employers who have registered should post the required posters which can be downloaded free during registration.
  - DHS prohibits commercial sale of these posters by third parties.

For these reasons E-Verify posters are not included on our state posters. For further information or to register for E-Verify, go to the DHS E-Verify home page at <https://www.e-verify.gov/> or call 888-464-4218.

- Your state has a **No Smoking law** that includes e-cigarettes and all other electronic smoking devices. Covered employers must post required signs in their places of business. The following sign is available to download from our Free Specialty Labor Law Posters page:

Poster Compliance Center publishes labor law posters that include all general required notices for employers. Depending on a company's industry, type of commerce, sector, location, or workforce, **additional specialized notices may be required** by federal, state, or local governments or agencies. Examples could include notices for a municipality, notices for federal contractors, notices that must be posted for the public or job applicants (in addition to those posted for employees), a labor law notice required in another language for employees who do not speak English, public sector notices, signage that must be posted at a specific location in your business such as the entrance, or a notice that can only be obtained through an insurance company.
