

# ATTENTION KANSAS EMPLOYERS

Our goal as your **RELIABLE** labor law poster company is to ensure that you are always in compliance! We would like to make you aware that there may be **other requirements** your company is subject to in addition to posting your labor law posters in a conspicuous location.

- Locate the “**Notice of Hours (Child Labor)**” on the state poster. The notice has 2 boxes in the heading. **Check the box that applies to your business.**
  - This notice **applies** to you if you are covered under Kansas child labor laws. (Check the box for “This employer is covered...”.)
  - This notice **does not apply** to you if you are covered under federal child labor laws. (Check the box for “This employer is not covered...”.)
  - If you are unsure about your coverage, contact the U.S. Department of Labor at the following federal office: Wage and Hour Division, Gateway Tower II, 400 State Ave., #706, Kansas City, KS 66101, phone (913) 551-5721.
  
- Post No Smoking signs by July 1, 2010, as required by the Kansas Indoor Clean Air Act.** In addition to posting the notice included on your Kansas state poster, you must post signs in specific locations in your business. Go to our Free Specialty Posters page at the following address to download the No Smoking sign: <https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/>
  
- The following businesses are required to post **Human Trafficking notices**: Sexually oriented businesses, massage parlors, healthcare facilities, convenience stores and truck stops, and rest areas and visitors centers under state supervision or control. Go to our Free Specialty Posters page at the following address to download the Kansas Human Trafficking notice: <https://www.postercompliance.com/labor-law-posters/free-specialty-labor-law-posters/>
  
- If **applicants for employment** are normally seen in an area **other than where you post your federal labor law poster**, you need to post four federal notices in this area where applicants can easily see them. Poster Compliance Center publishes a Federal Applicant Edition poster that includes all four of these notices. Call Customer Service at (800) 322-3636 if you would like to order this poster.
  
- If your state has an **E-Verify law** (used to determine if workers are eligible for employment), covered employers must register for E-Verify through the U.S. Department of Homeland Security (DHS) and must post required participation posters.
  - Only employers **who have registered** should post the required posters which can be downloaded free during registration.
  - DHS prohibits commercial sale of these posters by third parties.

For these reasons E-Verify posters are not included on our state posters. For further information or to register for E-Verify, go to the DHS E-Verify home page at <https://www.e-verify.gov/> or call 888-464-4218.

Poster Compliance Center publishes labor law posters that include all general required notices for employers. Depending on a company’s industry, type of commerce, sector, location, or workforce, **additional specialized notices may be required** by federal, state, or local governments or agencies. Examples could include notices for a municipality, notices for federal contractors, notices that must be posted for the public or job applicants (in addition to those posted for employees), a labor law notice required in another language for employees who do not speak English, public sector notices, signage that must be posted at a specific location in your business such as the entrance, or a notice that can only be obtained through an insurance company.
